I am an illustrator, cartoonist, comic artist, character and mascot designer, and advertising and children's book illustrator with over 30 years of experience. Throughout my career, I have worked internationally in cities like Zurich, New York, Los Angeles, and Paris, collaborating with clients across editorial, advertising, branding, and publishing projects. My work includes creating logos, illustrating graphic novels, designing characters for events, and producing captivating visuals for advertising campaigns and children's books. Fluent in English, French, and German, I aim to bring a thoughtful and creative approach to every project.
